GENERAL RULES FOR CODE MUTANTS

- 1. This contest is 2 hrs long.
- 2. There will be 6 or 7 questions with increasing difficulty order. Each question will carry some points.
- 3. There is **no partial** marking scheme. Either you get full points or no points at all.
- 4. Contest will be held on hackerrank (or similar) platform. Links to the contest will be given sufficient time before the contest.
- 5. You should not share solution ideas or refer other's code during the contest. In the discussion forum, you can only ask doubts regarding the question, if any. If any contestant is found violating the rules, he/she will be disqualified.
